## The Stables

Tucked away behind the newly restored James Figg in the heart of Thame in Oxfordshire are The Stables. These beautiful converted stable blocks are the perfect setting for any kind of get-together, whatever the occasion.

The Stables were lovingly restored by the Peach Pub Company in December 2009 and are now available for exclusive hire for private parties, functions and corporate events. Book them day or evening for gatherings of 20 to 200.

There's a bar, free WiFi, a fabulous sound system and a sunny patio for al fresco entertaining in the warmer months.

What we do.....

Add the finishing touch to your event by booking one of our special party games. There are lots to choose from and we can tailor-make them with your party in mind, too. Here's just a taster:

*The Cocktail Game*

*(for 20-80 people)*

Get your colleagues or friends fired up by challenging them to make the perfect cocktail. Each group of 4-6 gets a mini master class in the art of cocktail making before devising their own cocktail recipe to be judged by our team. The winning group receives a fantastic bottle of "bubbles" to celebrate.

*Live Music*

As well as standard playlists and a range of different djs, we can arrange live music from saxophonists and percussionists to full live bands.

*"Bubbles" and Cocktail Reception*

Treat your guests to a perfectly chilled glass of "Bubbles" or any of our expertly mixed cocktails on arrival. Just have a look at our drinks menu for inspiration.

*Guest list/Greeting Host/Hostess*

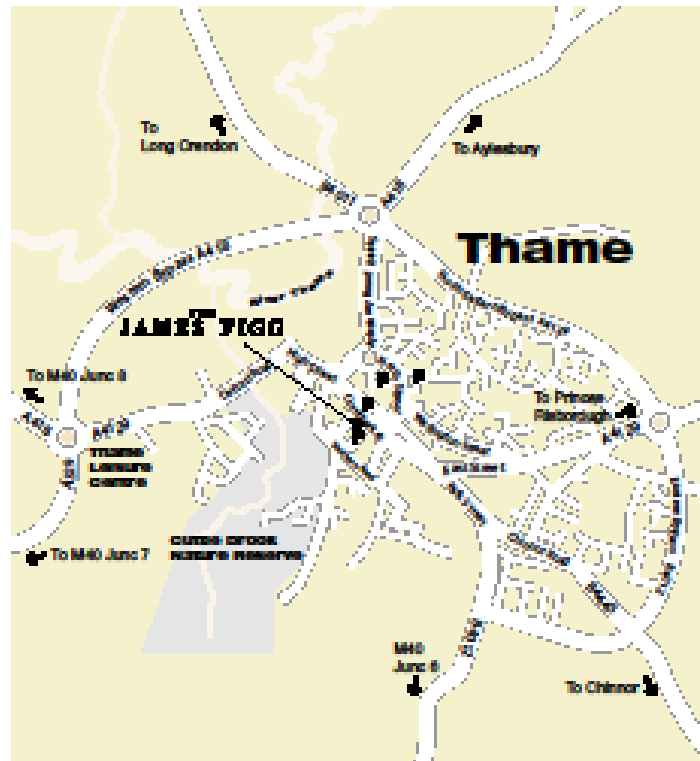

We can provide an experienced host or hostess to greet your guests on arrival, check guest lists and tickets, allowing you to relax and enjoy your event.

*Mulled Wine and Mince Pies*

*(November to January)*

Bring a traditional touch to a Christmas or seasonal get-together by offering your guests our delicious homemade spiced mulled wine and mince pies.

Served on arrival or any time during your event in the winter months.
